With the November, 1887, issue This Construct commences its thirty-fifth volume with a regular circulation of almost 250,000. The War Papers and the Life of Lincolo increased its monthly edition by 100,000. The latter history having recounted the events of Lincolo's early years, and given the necessary survey of the political condition of the country, reaches a new period, with which his secretaries were most intimately acquainted. Under the caption.

LINCOLN LY THE WAR LINCOLN IN THE WAR,

lowing the aished generals, will discriming from a features of army life, tameling from a features of army life, tameling from a features of army life, tameling from a features of the country hoosier? Dun that he would cut quite a figure in a dime museum?"

RENAN ON SHIERLAL

Except the Life of Lincoln and the War Articles, no more important series has ever been undertaken by The Centruty than this of Mr. Kennan's. With the previous preparation of four years' travel and study in Russia and Siberia, the author undertook a journey of 15,000 miles for the picular traveligation here required. An introduction from the Russian Minister of the Interior admitted him to the prince acquainted with some three hundred State exiles,—Liberals, Nhillsts, and others,—and the series will be a starting as well as accurate revelation of the exile system.

**Bleve I'll jest keep on setlin' and the series will be a starting as well an accompanied the author, will add greatly to the value of the articles.
